An essential user parking permit is a virtual permit that, when activated, entitles the user, whilst on official duty, to park their vehicle in PayByPhone bays, Pay and display bays, short-stay parking bays (without time limitation), council-run Pay and Display Car Parks (excluding leisure centres) and in all other residential permit parking bays. The permit is vehicle specific.

Essential user parking permits may be issued to persons working for or contracted to: police, health service, London Borough of Waltham Forest, London Fire and Civil Defence Authority or a company dealing with fire fighting/surgical equipment, or a doctor whilst working at or from a surgery in the borough.

Note: Only doctors who hold an essential user permit may park in a doctors parking bay.
