

# DUNEDIN AREA IMPROVEMENTS

## WE WANT TO HEAR YOUR VIEWS ON YOUR AREA AND HOW YOU GET AROUND

**Waltham Forest Council has secured funding as part of the Coronation Square and Score Centre redevelopment to make improvements to the area that will better connect the development to the local community, Leyton Station and existing amenities on High Road Leyton.**

Our aim is to make it easier and safer for local people to get around by active and sustainable modes of travel such as public transport, walking, cycling and wheeling. We also want to improve the look and feel of the area and make the area greener and healthier.

In the past, the local community has raised some concerns about the speed and volume of traffic using **Lyttelton Road, York Road, Dunedin Road and Adelaide Road**. Therefore, we'd like to hear from people living within this area to understand if there are any traffic and road safety issues that need to be addressed. We'd also like to know if there are any other improvements local people would like to see to make the area look and feel better and help people move around safer and more easily.

# SHARE YOUR VIEWS

To help us understand how people feel about this area, we will be running an online perception survey from **17 June to 8 July 2024**.

The short survey should only take five minutes to complete and will ask you questions about how you travel, your thoughts on road safety and volume of traffic, as well as any other changes or improvements you think are needed across the area.

To share your thoughts on the area you can take part in our survey in one of the following ways:

- Visit [talk.walthamforest.gov.uk/dunedin-area-improvements](https://talk.walthamforest.gov.uk/dunedin-area-improvements) or scan the QR code to take part in the survey online

Dunedin Area  
Improvements  
Survey

- Email or write to us using the contact details below to request a hardcopy survey
- Visit **Leyton Library, High Road, E10 5QH** to collect a hard copy survey yourself.

We'll also be out in the area with our pop-up marquee to remind local people to get involved in the survey.

Come and visit us on **26 June 2024** between **11am and 2pm**, in **Coronation Gardens** (High Road Leyton side) to collect a hard copy survey or to ask us questions about the survey.

# SPREAD THE WORD

We want to hear from as many residents as possible to make sure we understand how most people feel about where they live and why.

This includes people who have a disability, are less mobile, care for people with disabilities, and parents and carers of children.

Therefore, we kindly ask that you share this leaflet and survey details with your neighbours to make sure everyone is aware of the project and how to get involved.

# NEXT STEPS

When the survey has ended, we'll look at all the responses received, and develop a plan based on improvements that have been suggested.

Once we have developed an initial design we will invite local people to take part in a public consultation on the plans later in the year.

We'll aim to write to residents with more information on the results of the perception survey and the next steps by the autumn.

Information and regular updates on the scheme can also be found at [www.walthamforest.gov.uk/parking-roads-and-travel/active-and-sustainable-transport-schemes/current-schemes/dunedin-area-improvements](https://www.walthamforest.gov.uk/parking-roads-and-travel/active-and-sustainable-transport-schemes/current-schemes/dunedin-area-improvements)
