

RISK ASSESSMENT

For applications or renewals received without this risk assessment completed, bus or taxi places will not be awarded. We require this information for all children and young people who use buses or taxis in order to keep both service users and staff safe. If the risk level is medium or high you must include strategies or comments for transport use to help manage the behaviours indicated.

Child name: Date of birth: Date completed:
--

Definition of risk terms used		
High Risk	Medium Risk	Low Risk
<p>Intensity: This has the potential to cause serious injury, or harm to the individual or others.</p> <p>Recording/ Monitoring: It will be recorded through incident forms and the database, and will inform the Risk Assessment and Individual Care Plan.</p>	<p>Intensity: This has the potential to result in injury, harm or significantly limit their life opportunities.</p> <p>Recording/ Monitoring: It will be recorded through incident forms and the database, and will inform the Risk Assessment and Individual Care Plan.</p>	<p>Intensity: This will not usually result in injury, or cause harm. However it may impact on quality of life.</p> <p>Recording/ Monitoring: It will be used to inform the Individual Care Plan.</p>

Behaviour	Known Triggers (fill in all relevant sections)	Risk Level			What helps on transport
		High	Medium	Low	
Harm to self					
Absconding					
Tearing objects such as floor, carpet etc					
Bite hands/ arms					
Dropping to the floor					
Eating inappropriate objects					
Hit head on objects/ surfaces					
Hitting body					
Removing clothing					
Scratching face/ arms					
Sexualised behaviour					
Slap/ punch head					
Urination in an inappropriate place					

Vomiting					
Choke					
Harm to others	Known triggers	High	Medium	Low	What helps on transport
Bite					
Chinning					
Grab food					
Grabbing clothing					
Hairpull					
Headbutt					
Inappropriate touching					
Kick					

Object used as a weapon					
Pinch					
Poke					
Pulling out eyelashes					
Punch					
Pushing					
Scratch					
Slap					
Spitting					
Squeezing hands/ arms					
Stamping feet					

Tripping others					
Verbal abuse					
Behaviour to environment	Known Triggers	High	Medium	Low	What helps on transport
Breaking windows					
Damage property					
Loud vocalisations					
Smearing excrement					
Throwing large items of furniture					
Environmental Considerations	Known Triggers	High	Medium	Low	Strategies/ Comment
Fascination with sand					
Fascination with water					

Open doors/ gates					
Climb gates/ fences					
Climb out of windows/ over furniture					
Crawl under gates/ fences					
Tendency to leave group					
Tendency to hide					
Tendency to leave site					
Lack of awareness of danger					
Lack of awareness of water danger					
Lack of awareness to traffic danger					
Lack of awareness of stranger danger					
Tendency to approach/ interact with strangers					

Bang windows/ slam doors					
Tendency to over-turn furniture					
Turn on taps					
Turn on electrical equipment					
Touch any available substance					
Others behaviours/ dangers not mentioned	Known Triggers	High	Medium	Low	What helps on transport
