STATEMENT OF REASONS

The Orders and measures are required in response to requests from residents from the area who expressed concerns regarding road safety and traffic congestion along Higham Hill Road, including traffic speeds, conflict, and dangerous driver behaviour between Whittingham Primary Academy and Gloucester Road.

Signs and road markings to existing traffic order arrangements would be corrected outside the co-op which will provide loading between 7am and 10am and short stay parking from 10am to 6.30pm Mon-Fri.

When proposing to make these Orders consideration has been given to securing expeditious, convenient and safe movement of vehicular and other traffic and the provision of suitable and adequate parking facilities on the highway.

All provisions are to secure the expeditious convenient and safe movement of vehicular and other traffic on and off the highway (as per Traffic Management Act 2004 Part II).
