

Join us in improving Bowel Screening participation

Collaborate with the NHS Bowel Screening Health Promotion Team to enhance participation in the NHS Bowel Cancer Screening Programme

Why Engage with Us?

- **Understand Your Data:** Gain insights into your current bowel screening uptake.
- **Health Equity Audit:** Learn about the recent audit results for the borough.
- **Tailored Interventions:** Develop a customised plan based on your patients' or service users' needs.

Benefits of Participation

- **Enhanced Screening Uptake:** Increase screening rates among your patients/service users.
- **Support from Experts:** Ongoing support from our health promotion team.
- **Monitor Progress:** Track improvements and see tangible results.

Next Steps

- Review Your Data
- Discuss Findings
- Develop a Plan
- Implement and Monitor
