Dear Waltham Forest resident,

**RE: Forest Road Section 1 Wood Street to Hale End Road – construction update**

Following on from our letter in August about the Forest Road scheme, we are writing to inform you preparatory works will begin on Section 1 from Wood Street to Hale End Road from Monday 02 December 2024.

Workers will be on site until 20 December 2024 to ensure the area is ready for construction to begin in January 2025.

This work will include trial hole excavation to ensure we can install new lighting columns and tree planting.

We apologise for any inconvenience caused and appreciate your patience as we work to improve the local highways.

Section 2 (Farnan Avenue to Wood Street) and Section 3 (Hale End Road to Woodford New Road) will be delivered in stages over the next couple of years. We will provide more details and final plans closer to the start dates for these sections.

If you have any questions about the construction work, please email [enjoy@walthamforest.gov.uk](mailto:enjoy@walthamforest.gov.uk), alternatively call Waltham Forest Direct on 020 8496 3000.
