Waltham Forest Council gives notice that it has received a notification from the owner of
an intention to dispose of the Lord Rookwood, Leytonstone listed by the Council as an
Asset of Community Value under the Localism Act 2011. The Council invites any eligible
community interest group to express an interest to be treated as a potential bidder by no
later than 5pm on 16th February 2017. Please write to: Planning Policy, Room G08,
Sycamore House, Waltham Forest Town Hall Complex, Forest Road, Walthamstow, E17
4JF. The council will, as soon as practical, notify the owner of any requests that it
receives.

The Owner of the above listed property may not dispose of their asset during a 6 week
initial period starting from the date the Council received the notification from the owner.
During this 6 week period (the “interim moratorium”), a community group may request in
writing to be treated as a potential bidder for the asset. This request would then result in
a 6 month deferral of the disposal (the “full moratorium”). The Owner is not required to
accept any bid and once the full moratorium period has expired, may dispose of the
asset as they wish until the end of the protected period.

To be eligible to request being treated as a possible bidder for the asset, a community
interest group must have a local connection and have one or more of the following
structures:
- A charity
- A community interest company
- A company limited by guarantee that is non-profit distributing
- An industrial and provident society that is non-profit distributing
- A parish council

It will be the responsibility of any bidder to arrange funding, seek to come to an
arrangement with the owner and be responsible for all associated costs. The Council is
unable to assist in negotiations or to provide any funding or other assistance.
