Alternative Parking Provision

As part of the Marlowe Road regeneration a number of car parks within the estate have been closed. The area surrounding the estate is part of the Wood Street North Controlled Parking Zone (CPZ). Further information on the CPZ can be found here: <https://www.walthamforest.gov.uk/content/controlled-parking-zones-cpzs>

There are also a number of alternative car park provisions close to the Marlowe Road Estate. Full information on the parking provision within the borough can be found on the council website:

Thank you for your patience during the construction period and we will seek to keep disruption to a minimum. The Council hopes you find the information useful.
